PLATT COLLEGE, SAN DIEGO CALIFORNIA, 1993-1995
Graphic Design and Motion Graphics

EMPLOYMENT:

BARONA CASINO RESORT & HOTEL, 1998-PRESENT
Design, concept and produce motion graphic animation spots to be displayed on LCD screens placed throughout the resort and casino. Direct video and photo shoots. Film and edit short videos to be used as a part of Barona's social media marketing. Produce special event animations and videos on DVD for high end special events, concerts and trade shows.

THREE THIRTY 3 DESIGN, 2005-PRESENT
Three Thirty 3 Design is my own freelance services. Although I am currently employed at Barona Resort & Casino, I do freelance work from home. I design, concept and produce websites, animations and videos for clients.

NTN COMMUNICATIONS, 1996-1998
Motion Graphic Artist. Developed and designed screens and animations for interactive television games. Managed a team of 4 interns, offering creative direction for still screens and animations to be used in interactive television games. Developed & designed special event games for trade shows around the country including; COMDEX, Sony, Panasonic, Qantas Airlines, America On-Line & Siggraph.
